

CAPABILITY STATEMENT

Barcode Industrial Systems, Inc. (BIS Labels)

An Ohio based company founded in 1992. We are a certified Hispanic, minority owned business specializing in labels and ribbons distribution serving all industries in the United States, Canada and Mexico.

We are committed to offering the most complete inventory of labels and ribbons from ISO certified manufacturers.

We have over 1000 label types, in-stock, including specialty materials such as; polyester, polypropylene, paper, fan fold, rolls, flood coated, fluorescent, digital color labels and many difficult to find sizes and shapes. We ship from 1 single case, to 100 pallets, per order, from our label distribution centers in Cleveland, Cincinnati, Chicago, Charlotte, California and Tennessee.

We are collaborative group of people dedicated to serve and to help everybody win.

YOUR BUSINESS
IS OUR PRIORITY

OUR SERVICES

We provide high quality Labels, Ribbons and value added services. Our aim is to build long term relationships with customer and qualified suppliers. We encourage creative individual responsibility with dedication to serve from all our associates.

Our Supply Chain

We provide value added distribution services to qualified ISO Certified manufacturers that keep In-Stock inventory of core products. We seek ethical, collaborative and reputable suppliers network with a strong market presence.

Our Customers

We serve customers in most industries:. Including; Automotive, Consumer Durables, Food & Beverage, Health & Beauty, Retail, Transportation and Logistics. We meet standards, such as; Automotive AIAG label, durable chemical resistant drum labels, and colorful eye catching retail labels.

"Multiple warehouses all across the United States. Over 1000 SKUs In-Stock inventory. Same day pick and ship services. Produced from high quality pulp, paper and adhesive manufacturers."
- Juan R. Merchan
